Ahmad Shirzadi

Software Engineer
Tehran, Tehran Province, Iran

Summary

Over the past sixteen years, I've journeyed through a landscape of programming languages and technologies, continuously sharpening my Dev[eloper-Ops] skills.

Learning something new each day is my quiet ritual, my way of staying curious, humble, and alive.

You can call me Amad-a digital nomad traveling through the endless frontiers of code and imagination.

Experience

MabnaTelecom
Full Stack Engineer
June 2024 - May 2025 (1 year)
Tehran, Tehran Province, Iran
